This girl is a HUGE body heifer. She has a few hundred pounds and a foot taller in height than any other heifer in her futurity classes. Super friendly and the kids have been riding her around in the pen with no halter. Cannot say enough about this sweet girl. Flash, horn, body and pedigree. They don't make them better than this one. Bred to KDK Pluto for a late 24' calf

**TTT:** 57.0000 on 04/17/2024
